

Child development: Understanding the Soul

Dr. James Dyson and Dr. Pablo Jeczmién

An Anthroposophical Perspective of Psychology

March 22, 23 y 24 In Tijuana, Mex.

with the collaboration of Chelaine Kokos (Eurythmy) and
Alejandro Jenné (Music and Intuitive Pedagogy)

info@semilleroeducativo.com

Anthroposophic Psychotherapy has its foundation in the image of the human being, raised from the human studies by Rudolf Steiner. This image considers the human being as an individual formed by the physical-etheric, the psychic dimensions, and the spiritual dimension or I.

This workshop is for those who want to expand the academic perspective, and are in search of a new integrative view.

On this occasion the theme will focus on early childhood, education as the center for health.

On March 2019

Friday 22 from 18:00 a 21:30

Saturday 23 from 9:00 a 19:30

Sunday 24 from 9:00 a 13:00
