Anthroposophical Society in America

CELEBRATION FOR THE DEAD

Sunday, November 19, 2023, 3:00 pm

*Waldorf School of San Diego
3547 Altadena Drive
San Diego, CA 92105*

*Feel how we gaze lovingly
Into heights that now
Call you to other work.
May your power reach out
From spirit-realms
To the friends you left behind.*

*Hear our souls' request
Sent to you in confidence:
We need here, for our earthly work,
Strong power from spirit lands-
We thank you friends now dead for this.*

*A hope that makes us happy,
A loss that pains us deeply,
Let us hope that you light our lives,
Far-and-near, unlost,
A soul-star in the spiritual firmament.*

Rudolf Steiner, 1915, GA 261

As we gather in the candlelight to honor our friends and loved ones with readings and poetry, eurythmy and music we will enrich our sensing of our unseen companions.

You may bring a list of those you wish to remember and read their names aloud.
